

# Mathematical Programming Society

September 4, 2009

F.-Javier Heredia  
Professor  
Universitat Politècnica de Catalunya  
North Campus-C5, Office 206  
Jordi Girona, 1-3  
Barcelona 08034  
Spain

To Whom it May Concern:

This letter is to confirm that F.-Javier Heredia attended and presented a paper at the 2009 ISMP Meeting, August 24-28, 2009, in Chicago, Illinois, U.S.A.

This year we celebrate the 60th anniversary of the Zero ISMP, the meeting organized in Chicago by Tjalling Koopmans and the Cowles Commission that featured George Dantzig's presentation of the simplex method.

F.-Javier Heredia presented the following paper(s) at the ISMP Meeting:

*1. Friday August 28, 2009, Stochastic Programming Models for Optimal Bid Strategies in the Iberian Electricity Market*

Please feel free to contact us if you require additional information.

Very truly yours,
